Exporting from the One Stop Search to Legacy RefWorks

1. When you have found something:
   - Click on either View It or Get It or Details

   ![One Stop Search View It and Details](image)

   - Click on Actions
   - Select RefWorks

2. Select the version of RefWorks you have
   - If you don’t have an account – Create one in New RefWorks (the Blue one)

   ![RefWorks Export Options](image)

3. Log Into your account
